Inspired Evidence is a unique daily devotional which covers the evidence for a biblical worldview from a dozen different areas of science. Extensively illustrated and filled with compelling stories, articles, histories, and discoveries of science, the observations from the world around us are all placed within a biblical framework to show that God's Word is meant to be understood in a clear straightforward way from the very first verse. 365 different examples are tied to Bible verses to show that there is no conflict between Scripture and any area of human knowledge from biology to physics; cosmology to anatomy; geology to history; botany to paleontology Suitable from any age from elementary school to college student this devotional is a fascinating and informative tool for bringing the truth and relevance of the bible to life. The book also contains extensive appendixes for easy referencing of terms, subjects, Bible verses, and sources.
